Celebrating Attendance at St Andrew's

Thank you for your continued support with attendance and punctuality.

Our school attendance continues to be very good which is down to your commitment to your child's education. There is still a national push by the DfE on attendance and lateness. We still receive pressure from the government, local authority and education welfare officer to explain our procedures and monitoring.

Strong attendance helps them make the most of everything St Andrew's offers, building on their learning and enjoying the experiences and friendships that make school such a special place.

Thank you for working with us to help children make the most of their education.
