

Our Vision and Values

**Together we can achieve our goal.
Love, Learn, Lead**

Our vision is to prepare children to be active and responsible members of society within a happy, safe and welcoming environment founded on our Christian faith. It is our intention to provide opportunities for every child to succeed and to strive towards excellence in everything they do and leave St. Andrew's as 'well rounded human beings'.

Our Core Values.

LOVE

We value that we are taught to love one another by showing that another person's happiness is more important than mine.

FRIENDSHIP

We value the chance to make friends in school, Church and the local community.

HONESTY

We value the opportunity to speak and act truthfully.

RESPECT

We value that we are fair to each other and adults alike and embrace each other's differences.

PEACE

We value the chance to work together and resolve our differences harmoniously.

COMMITMENT

We value the opportunity to not show that we are reliable and don't let others down.

KINDNESS

We value the opportunity to help others less fortunate than ourselves.

Our Aims

- To deliver a broad and balanced curriculum to all abilities which introduces children to a wide range of skills, knowledge and understanding
- To enable children to maximise their potential and develop their self-confidence and

esteem

- To create a secure, caring and supportive environment grounded in moral and spiritual development
- To encourage respect and care for others whilst providing opportunities for children to display their talents
