

St. Andrew's Extra Curricular Clubs 2017-2018

Here at St. Andrew's we run a wide range of in school and after school clubs. We pride ourselves on the wide choice of activities and opportunities we provide for our children. All the clubs are run by the teachers or qualified sports coaches. Clubs that are run by outside agencies, such as the KS1 gymnastics and Chris Yates' football club sometimes require a small fee.

Clubs have an important role to play in enriching the curriculum and further developing children's wide range of skills. Last year was yet another successful year on the track, pool and field where we won a number of championships, trophies and medals. Not to forget the fabulous shows and performances the choir and drama group put on for us. Over the summer we were also awarded the gold school games kitemark for our after school sport provision for the second year running. This is a difficult award to achieve and one we are very proud of.

Below are all the clubs and sports teams on offer this year. *Prior to all clubs starting, the teacher running the club will send out an information or joining letter to any children interested.* If clubs that are limited to a certain group size are oversubscribed, names are pulled out of a hat and groups will be changed on a half termly basis to try and give everyone an opportunity to take part. As you can see we offer a wide range of extracurricular activities and we hope your children can find an opportunity and group that excites them.

Thank you for your continued support, Mr. Royle

Football: Y5/Y6 Autumn + Spring Mr. Royle + Mr. Houghton Chris Yates Mon and Fri	Cricket: Y5/Y6 Summer Mr. Watson	Athletics: Y3 – Y6 Summer Mr. Royle, Mr. Platt and Mrs. Davenport.
