

# Music at St Andrew's

## Music at St Andrew's

We are a music rich school and we aim to actively encourage all pupils to get involved with music during their time here and beyond. All children begin learning music from Nursery all the way through to Year 6 and there are numerous musical extra-curricular opportunities for your child whilst they are at St Andrew's.

## Young Lives Vs Cancer

The choir did a fantastic job performing at the Young Lives Vs Cancer concert at the beginning of December with Manchester District Hospitals' Choir.

The children performed at the same event last year so were extremely excited to be back.

Well done, Choir!

## Peripatetic music lessons

At St Andrew's, we offer peripatetic music lessons to pupils in Key Stage 1 and Key Stage 2.

If your child would like to learn an instrument, please ask for more information at the office.

## School Orchestra

The school orchestra is run by Mr Johnson for Key Stage 2 pupils who play a musical instrument. If your child is interested, please inform their class teacher.

## Key Stage 2 Choir

Key Stage 2 choir runs for pupils in Year 5 and 6. As a school, we are extremely proud of our brilliant choir and always enjoy listening to them sing. It will be a busy few months ahead for the choir, with various performances over the festive period and into the New Year.

We wish the choir the very best of luck at all of these performances. They always do a fantastic job under the brilliant leadership of Mrs Curran and Mr Johnson.

## Year 4 MAPAS

Each year, Year 4 enjoy music lessons with teachers from MAPAS, Salford's music and performing arts service. In July, they will be performing in a special concert at the Lowry, which celebrates the musical talent of young people in Salford.

Good luck, Year 4!

## Young Voices

For the past two years, the Key Stage 2 choir have performed at the Manchester Arena as part of Young Voices.

Young Voices aims to unite children through their love of music and offers them the opportunity to perform as part of the 'largest choir in the world' alongside other children from across the country.
