

# Parent Communication

As a large Primary School, we actively encourage the involvement of parents and members of our community in school life. The success of each child's education is important to us whatever their ability. We pride ourselves on being a happy, secure and forward-looking school committed to the highest possible achievements for our children.

## School Website

Our website which is our central hub for communication and provides important, relevant and updated information.

## Parents' Evening

At St Andrew's we hold two parents' evenings which is an opportunity to speak to the class teacher about how your child is doing. Currently we host one parents' evening virtually and another parents' evening face-to-face, which also gives parents the opportunity to look at their children's books.

## Reports

At the end of the academic year parents receive a report from their class teacher which will communicate the child's academic progress, behaviour and overall learning experience.

**Assemblies and Shows** - There is an opportunity for parents to see their children lead a class assembly along with our EYFS and KS1 class performing a Nativity for parents and KS2 show cases their dance skills at the Dance Festival for parents.

## Presentations to Parents

Each year we host an induction meeting for Nursery, Reception, KS1, LKS2 and Y6 parents. Each meeting is lead by teachers to give information about the next stage into the children's journey at St. Andrew's.

## X (formerly known as Twitter)

Keep an eye on your X account to see exciting things we have been doing in school as well as celebrating achievements.

## Letters and Newsletters

Throughout the year various letters are sent to parents via email, these can also be found on our school website. Class teachers create a newsletter at the start of each term to update parents on important information and dates for the term.

## Ofsted

June 2024 we were inspected by Ofsted and our overall outcome was **Outstanding**. You can read our inspection: <https://reports.ofsted.gov.uk/provider/21/105933>
