1st July: EYFS fun day
1st July: KSI induction morning for parents
11th July: Pupil reports out to parents
16th July: Class transition morning
Tuesday 22nd July: Break Up

Reading and Homework

This is just a reminder to please read with your child at home. New reading books are issued every Friday and pupils should be reading at home at least three times a week. Homework is handed out every Friday, and needs to be returned the following Friday.

Final Term

As the children begin their final term in Reception, we would just like to say a huge thank you to all the children for making this year so much fun! We have loved being a part of their learning journey and watching them grow as the year has progressed. They are all superstars and we are going to miss them very much next year! We would also like to say a huge thank you to all of you too! We could not do our job without your continued support at home, so thank you for all your support this year; it has been very much appreciated.

Lip Balms and Creams

Recently, some of the children have been bringing in lip glosses into school and have been sharing them with other children.

Please ensure your child is not bringing in any form of lip gloss or lipstick. If your child needs to bring in lip balm due to chapped or sore lips, please let your child's teacher know.

Reception Newsletter Summer

Welcome Back

Welcome back! We hope you all had a wonderful Easter break and are looking forward to the sunnier days ahead. The children have made a great start back as they begin their final term in Reception.

They have all been very enthusiastic about our new topic 'Around the World and Animals'. Please remember to keep checking our class page on the school website alongside school twitter, where we will post updates of what we have been learning about in class for you to see.

Sun Cream and Sun Hats

When the weather is forecasted to be hot, we kindly ask that you put sun cream on your child in the morning before they come into school. During the school day, we will reapply sun cream on your child when needed; we will use sensitive sun cream. There is no need to send in with your child sun cream, unless your child has allergies to particular sun creams.

You can also send in with your child a sun hat and sunglasses for them to wear at school. However, it will be your child's responsibility to keep them in their tray or on their peg during the school day.

Reception Door

In preparation for Year 1, we ask that you allow your child to come into the classroom independently by stepping away from the door. Thank you for your support regarding this.
