

St. Andrew's Extra-Curricular Clubs 2024 - 2025

Here at St. Andrew's we pride ourselves on providing a wide range of extra-curricular activities for all our children throughout the school year. Not only do we have brilliant sports clubs, but we also offer a wide range of other clubs where children can develop a wide range of other skills and talents from gardening, to singing and even disco dancing. Our Junior Duke clubs are back again in Y1, 2, 5 and 6, where children complete tasks in order to get their Junior Duke award! Below is a list of all the extra-curricular clubs on offer to children this year. Some clubs are held during school hours; others are held after school. Before each club starts, joining information will be sent out by the teacher running the activity to the relevant year groups.

<u>Sports</u>

We also have a number of sports teams that enter local and Salford wide competitions that teachers will choose a team for prior to the event. These include sports such as: tag Rugby, lacrosse, indoor athletics, dodgeball and hockey. There are a number of other after school clubs run by outside companies that take place on school grounds. Chris Yates runs a football club on a Monday, Thursday and Friday. Ed start run a multi sports club on a Tuesday and gymnastics on a Wednesday. All these clubs charge a small fee per week and further details can be found at the office or on their websites.
