Reading

Please sign your child's reading record book when they have read at home. If you have any comments these can be added too. You do not need to write in any personal reading books that your children has read at home. Please remember that each child will be set an online book on Oxford Owl to read each week. This book links to their phonics and guided reading that they have worked on at school. Please encourage your child to read this book and complete the online quiz each week. If you have forgot your child's log in then please ask.

Thank you to all parents who take time to share their child's reading book with them. We cannot stress enough the importance of continued regular practise in helping children to become fluent, confident readers.

Library Day is on Wednesday (IWh) Thursday (IS) Please make sure your child returns their book every week.

Phonics

At the end of Year 1, your child will be tested on Phonics with the National Phonics Screening Test taking place week beginning June 9th. The results will be sent out with their reports. Phonics remains a high priority and as we continue with our daily phonic sessions in groups, we would really appreciate your help and assistance practising phonic skills at home. Please continue to practise with the materials we previously sent home and complete the online check using the link below.

Homework

We will continue to set spellings and maths homework every Friday, to be completed and returned by Friday at the latest. Thank you for supporting us with this as it enables us to mark your child's work before we send it back home. Spelling shed encourages and supports our set weekly spellings. Please ask if you need reminding of your child's log in details.
