

## PTA Newsletter

Hello everyone,

We hope you all had a great half term break!

It was lovely to see all the children having fun dancing with their friends at the disco before half term. Thank you to all who supported the event. We managed to raise £996.93.

Recently the PTA funds have been used to buy enough scooters for all of KS1 and KS2. Also, the PTA are looking to buy a new speaker, which will be used regularly at choir events, swimming galas and sports days etc. and new outdoor provision, such as tables and outdoor play equipment for nursery and reception.

We would not have been able to fund such important projects without these events and the help from all of you and especially the volunteers who have helped with the events.

Our next event will be the Mother's Day gift shop on Thursday March 16th. The children will have the opportunity to hand pick a gift for their loved ones for Mother's Day.

We are hoping to do the same for Father's Day in June. We may also squeeze another disco in before the May half term.

### Summer fair

Unfortunately, Rebekah and I are unable to organise a summer fair this year so I am taking this opportunity to appeal for individuals who would like to volunteer to form a committee to organise the event. Please email [standrewsboothstownpta@gmail.com](mailto:standrewsboothstownpta@gmail.com) if you are interested.

Many thanks  
PTA
