If it is raining in the morning, the teachers will open the doors early at 8.45 am.

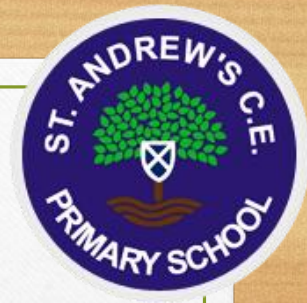

# Reading

Reading still has an important focus in Key Stage 2, but it is managed slightly differently to Key Stage 1.

All children will have a school reading book to read at home with their Home School Record Book. In particular, children in years 3 and 4 are encouraged to read every night with an adult. Short bursts of reading for 5-10 minutes every day is best.

Your child will take part in guided reading sessions. These will focus on comprehension skills including vocabulary, inference, prediction and retrieval.

# Homework

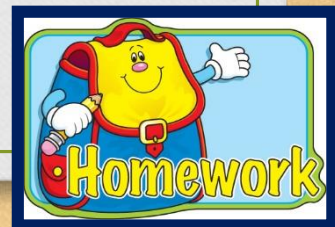

- Reading aloud daily to an adult.
- Spellings.

---

- One piece of English per week.
- One piece of Maths per week.
- Times Tables Rockstars

Homework is important. It will be given out weekly. We don't set homework during the holidays.

Sometimes pupils may have topic homework too. These are called Home Learning Topics and we encourage pupils to try and do these independently using their own skills and talents. Children will be given plenty of time to complete these projects.

# Maths

## Maths Groups

---

Children are split into two ability groups across the year group for their daily Maths lesson.

All pupils cover exactly the same units of work.

These groups are reviewed.

This system continues throughout the whole of Key Stage 2. It is something that has been proven to work at St Andrew's.

There is a national times tables check in Year 4.

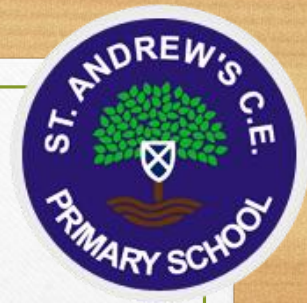

# Swimming

- Children in Year 3 will go to swimming lessons at Worsley Pool every Wednesday afternoon, for half a year each.
- 

3S will start in September – February. Letter to follow.

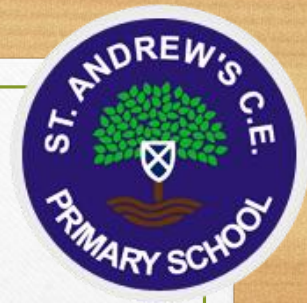

- Kit consists of swimming costume, trunks (not shorts) plus a towel.
- Goggles can only be worn if there is a medical reason, in which case, a doctor's note will be required.
