

Year Four Summer Newsletter

We hope you are all ready for the exciting, busy term ahead. We cannot believe we are in our final term together in year 4! There will be many things happening in school this term including music performances and sporting events.

Music Concert at The Lowry

During our weekly music lessons with MAPAS, both year 4 classes are learning to play the djembe drum. They are all working extremely hard in preparation for the concert at The Lowry Theatre on Tuesday 24th June at 1.30pm. A letter has been sent out today more details. We are very excited to see the children perform and hope you are too. Please book tickets through the Lowry website.

Homework – Reading, English, Maths, Spellings and Times tables.

Weekly English, maths, spellings and times tables homework will continue throughout the summer term. Pupils must also read at home as part of their weekly homework. English and maths homework books need to be in by Wednesday for marking. Spellings will be tested on a Wednesday too.

Times Tables

All the children in year 4 have shown resilience and have worked incredibly hard so far on their times tables. The Multiplication Tables Check (MTC) will be carried out in school in June between 3rd - 13th June. We kindly ask that you inform us as soon as possible if you know in advance that your child will be absent during this period. You will be sent a leaflet with more details about the check but please ask if you have any other questions. From now until June, please ensure your child continues to practise on TTRS as much as possible. One last push before the MTC in June!

Geography Topic

Our new topic for this term is all about Spain and Europe. Children will be learning facts about Spain, the geographical features and cultural experiences.

We will be asking children to complete a homework project on the topic of Spain which they will need to bring to school on Thursday 5th June. A letter will follow with further details.

Summer Sports

Now may be the time to start looking for that elusive coloured t-shirt in your child's house colour, ready for sports day on 27th June at 9.30am. The t-shirt needs to be plain, short sleeved with a crew neck. Your child will know which house they are in and therefore the colour of t-shirt needed.

School snacks

Finally, just a reminder that children need to make sure their school snacks are healthy. Please encourage your child to have a healthy snack such as vegetable sticks, fruit, breadsticks or crackers. Foods with nuts are not allowed as there are children in school with serious nut allergies. Thank you for your continued support.

Key Dates:

5th June – Homework projects due in school.

3rd – 13th June – Multiplication Tables Check administered to all year 4 children.

27st June – LKS2 sports day 9.30am

24th June – Music performance at The Lowry 1.30pm

9th and 10th July – KS2 Dance Festival

Thank you for your continued support,

Mrs Davies and Mrs Rhodes
