

Year 3 Summer Newsletter

The summer term is upon us and it is a term filled with lots of exciting events. The children have lots to look forward to such as the Dance Festival, Sports Day, our trip and our year group assembly which is on Thursday 21st May.

Reminders

Reading Books

It is very important that children continue to read and finish their reading books on a regular basis, to further strengthen their basic skills. Children are given an allocated slot each day to change their book. Although this will be monitored, it is the children's responsibility to change their book.

Spelling Shed

Children should continue to ensure they regularly access Spelling Shed to practise their weekly spellings. Children will be tested on these spellings every Wednesday.

Times Table Rockstars

Children should continue to ensure they regularly access Times Table Rockstars as this will help them to improve their table knowledge and develop their speed. In Y3 we consolidate our learning from Y2 by practising our 2's, 5's and 10's. We learn the 3's, 4's and 8 times tables and our 11's. This leaves the remaining ones for in Y4 in preparation for the Y4 times tables test which they complete in the Summer term of Y4. Once they are confident, going on Sound Check is great as it replicates the Y4 times table conditions. (Pupils have 6 seconds to answer each question)

Homework

English homework booklets will continue to be sent home on a Wednesday and Maths homework booklets on a Friday with the homework due in by the following Wednesday and Friday. Please remember that for each homework booklet, children will be given a **specific page** to complete which focuses on current learning and may not necessarily be in page order. This is written at the back of their book.

Swimming and PE Reminder

A reminder that swimming will continue for children in **3K every Wednesday** until 15th July. Please can children always have their kit with them as being able to swim 25 metres is on the primary school National Curriculum. Can 3RW have P.E. kits in school please for our PE lesson every **Wednesday**.

Spring Term Highlights

World Book Day and Easter Egg Competition

This last half term saw some very exciting events. All the children looked fabulous on world book day in their costumes! The Easter egg competition saw some fabulous entries from both classes. Well done to the winners and thanks again for all your hard work and contributions. All entries were brilliantly created and the judges had to make some tough decisions.
