Kit

Children will need to be able to carry their own bags. A small wheelie bag or a holdall is best.

Before we go, it is a good idea to get your child to practise putting their sleeping bag away. A belt is useful.

It is really helpful if your child can tie their own laces.

It is useful for the children to help you pack their bag.

- Sleeping bag, pillow case
- Slippers/indoor shoes
- Outdoor shoes or trainers
- 2 changes of warm, hardwearing clothing.

Jeans aren't suitable, tracksuit bottoms are better.

- At least 3 changes of underwear
- Thick socks (no trainer socks)
- Toiletries and a towel
- Gloves and woollen hat
- Plastic bin liner for wet clothes
- Pyjamas/nightwear
- Shorts/T shirt to get wet
- A named water bottle
